To Superior Generals/ Provincials

Greetings from National Youth Commission!

Y-MAP (Youth Ministers Animation Programme - Online Youth Ministry Course)

After successfully completing two batches of the first two modules, we are glad to inform you that we have developed the curriculum of the entire programme that would spread across 1 year, comprising 9 modules. We have shaped this programme in a way that allows participants to join for the selective topics or for the entire course that would earn them a *Diploma in Youth Ministry by CCBI Youth Commission* on successfully completing the entire programme of 9 modules (80 hours). Also, those who opt for specific courses/topics would be given a certificate on completing the respective course each month.

We received tremendous positive feedback for the nature and content of the programmefrom the previous two batches. This programme will allow many priests, religious and lay people to undergo a concrete formation in Youth Ministry from wherever they are and particularly those who cannot attend physical programmes in far corners of the country. Therefore, request you to encourage more to join.

This will be an ongoing programme throughout the year with one module every month beginning from September 2020. Participants may either do a one-time registration for the entire programme or selective courses (modules). Also, later if more people are interested to join in a particular course, they may register anytime based on the schedule of the course. Registrations would remain open upto 30th of the previous month.

In the first week of September, we will repeat the 1st and 2nd Module for those registering for the entire course and whoever is interested, following which we will begin with the 3rd Module in September (third week) and thereafter one module every month as per the curriculum in the brochure. Once registered, participants will receive all information about the programme.

We have subsidized the **registration fee** at **Rs.3500** for the entire course **(9 modules) before 31** st August. Thereafter it would be Rs. 500 per module. This includes free access to various resource material on youth ministry and animation. Lessons will be taken by renowned and specialized experts in the ministry.

This course is open to all youth ministers - priests, religious, youth in charges, animators& leaders from institutions and parish level to regional level.

Course Curriculum: Kindly go through the brochure attached herewith.
